Discover the secret behind great leadership success. There's a very thin line separating true leaders from 'power wielders.' Throughout history, many leaders have fallen flat because they were too seduced and consumed by power. They failed to realize that true leadership isn't about fear and compliance. Learning from the mistakes of the past, many great people have understood that the only way to set themselves up for long-lasting success was not through terror but through empathy. Thus, transformational leadership was born. Transformational leaders know that their obligations are as much to their organization as to their people. They are not only managers but also guides, mentors, role models, and most importantly, infallible sources of inspiration. They are masters at gaining positive commitment and loyalty while constantly striving to empower others and promote growth. And now, you can unlock the leader in YOU. Understanding the true meaning of leadership is the first step towards becoming a leader who inspires and transforms others. Taking inspiration from transformational leaders, it may finally be your time to shine. There are All it takes is knowing how to master the nine dimensions and plant the leadership seed in you. From there on, you can slowly but steadily watch yourself grow into the leader you were always meant to be. In How to Become a Transformational Leader, here is just a fraction of what you will discover: The #1 secret to becoming an authentic leader who inspires everyone around them Why empathy is a transformational leader's favorite influence strategy, as well as how to effectively use it get people to commit to your mission Why having a clear vision is crucial when you want others to trust you and your leadership How self-discipline is a key ingredient to any transformational leader, allowing you to keep the motivation going even in the most challenging times Bulletproof ways to empower your people to take initiative and always give their best, priming them to become the transformational leaders of tomorrow How you can embrace adversity, learn from it, and then turn it into an opportunity for growth and development And much more. Anyone has the potential to become a great leader. Leadership is a set of behaviors that you can hone and master rather than a state of 'being' or a number of innate traits you were born with. Transformational leadership is a truly satisfying journey where the individuals' growth and empowerment bring the whole organization to new heights, increasing its chances of unparalleled success. If you want to become a leader who transforms and inspires others, then scroll up and click the "Add to Cart" button right now.

Happily ever after?! In today's society, fraught with infidelity, marital discord, and, all too often, divorce, 'happily ever after' is more like 'happily, until things go wrong and I just can't take it anymore!' In Does Anyone Speak Female? author Ron Biagini asserts that the state of your marriage is a direct reflection of what you have invested in it over the years. It's not up to chance; it's up to you!

Based on personal experiences and inner reflection on twenty-five years of marriage, Biagini provides inspiration and encouragement for those seeking marital accord. Learn how to build and maintain trust; how to make her feel special; how to communicate and listen; the power of compliments; and the differences between affection, romance, and sex. Whether unmarried, newly wed, on your second or third attempt, or a seasoned individual committed to going the distance with your first love, Does Anyone Speak Female? is for you!

In The Gravity of Up, Brent Yates helps others reject the negative mind-sets that are holding them down to live healthy, happy lives. Your life is designed to be the ultimate adventure. What holds you back from realizing that potential right now? What is pushing you down instead of pulling you up? Moving up might feel like something too daunting to achieve, but the good news is that up is a direction not a destination. Today is the day you begin moving forward as author Brent Yates shows you how to unshackle and propel yourself into a more abundant life. From the outside, Brent Yates had it all—money, success, a beautiful wife and family—but inside, he was dying. One by one, everything that he valued was taken from him until he was suicidal and crippled with a mysterious malady that no doctor could identify. Instead of giving up, he decided to pinpoint what wasn't working in his life and embark on a quest to discover happiness. By implementing a holistic approach, Brent found the three pillars of a healthy life to be rooted in the spiritual, mental, and physical. You might be battling with some of the same issues that Brent had—depression, loneliness, and feeling life was without purpose—or maybe you simply feel stuck right now. The Gravity of Up is a blueprint to lose the old, negative thoughts and embrace a new world-altering mindset. Now, happy and healthy, Brent is living proof that the formula works and is eager to help you move up!

Welcoming the hungry, the thirsty, the stranger, the naked, the sick, the prisoner, the leper, the paralytic, the gay, the lesbian, the condemned, the excluded and even sinners is the best language

Christians can speak to win the trust of others and change the world. We, Christians must show everyone this hospitality. We must welcome even those who do not think as we do, who do not have faith or have lost it. Welcoming the persecuted, the marginalized, the condemned and excluded, the unemployed, the different cultures helps us not to turn our backs on the other person, God, and our community. The attitude of welcoming helps to broaden our Christian horizon in order to have a decisive direction. Today, there are too many wars and conflicts in the world, so many divisions in our families, so many gossip in our communities because majority of us fail to listen, to show hospitality and welcome other who do not have the faith we have or think as we do. Instead, we condemn and exclude them as sinner, people of no moral credentials. It is because we are quick to criticize and condemn, instead of listening, forgetting that the we cannot win the trust of other or change the world by arguments and condemnation, but by learning how to welcome and listen to the other person. In fact, as far as I am concern the case of homosexuality, same-sex marriage is not a reality, but a product of socio-political solidarity. A culture that feels threatened by the authenticity of Christendom. Victims of this sickness sincerely in their hearts are very much aware that they are tied down by solidarity of deceit, political tricks, to vices, to high-life and false freedom which means doing whatever you want. They know well that their case is hopeless and in need of moral and spiritual help. But they refuse to listen simply because Christians of today have forgotten that the Christian identity, calling, journey is about listening, welcoming and changing hearts, and not about condemning and excluding people as if we are God. We fail to understand that a Christian is not the type that talks too much, but listens too much and talk less. A Christian is someone who has learned how to welcome, listen and to show hospitality to others who do not think as we do or have the faith as ours. Thus it is argued in this book, that the best way we can unlock the hearts of others is by getting close to the poor, the marginalized, the condemned such as the gays and lesbians, and even sinners. It is only when we get close to them, welcome them and show hospitality that we can win their trust and unlock their hearts. We must learn how to get close and welcome the marginalized people, closing the distance between us until touching them without being afraid to get dirty. This, Jesus teaches us when he freed the leper from the impurity of the disease and from social exclusion. This example of Jesus is an attitude that each one of us must have. Because there are a lot people who feel in their hearts a longing to draw close to Jesus but lack the courage because of our human attitude towards them. Hence, taking on others' problem and not to wash our hands off is the best way to change the world and not by terrorism of gossip and culture of exclusion.

Do you sometimes have a feeling, or an instinct, about someone or something? A subtle knowing without any logical reason or proof? Do you tend to trust it or question it? We have always been told: "Trust your gut", "Trust your instincts", or "Trust your intuition". In cases of imminent danger, absolutely! However, under normal circumstances we face on a daily basis, that may not always be the case...At least not until you've read this book! Believing we can, and always should "trust ourselves", can be deceiving. It relies on quick, automatic subconscious processing based on a feeling and an emotion, or feedback from our physical body and nervous system. All of which hold biases, trauma, memories, and fears. In this powerful, must-read book, Intuitive Empath Cielo Canlas teaches us what we must first learn and understand about ourselves in order to discern which inner voice is speaking, which lens is perceiving, which body is reacting, and which mind is processing. We are

complex beings with many layers: emotional, physical, mental, and spiritual. This book unpacks all of it from a holistic perspective using scientific evidence, psychological principles, and Cielo's own personal stories and spiritual experiences. It is truly a Divine experience in not only unlocking your intuition, but a journey in discovering all aspects of yourself.

You'll find the Kryptonite Factor to be quite different from other self-help books, and here's why. The Kryptonite Factor was written from a student's perspective; someone like you who was trying to find the answers to questions in life like; How do I set and achieve goals with energy and enthusiasm? Why do I worry and carry emotional burdens with me almost every day? Who can I trust in life? Why am I always holding back and can't fully express myself? What is my purpose and what would give me more meaning in life? Here's your opportunity to join co-author Adam Smith in his ups and downs, pains and joys and new "A-has!" as Jeff Allen guides him through this very powerful life-coaching process. Everything in your life-absolutely everything-that motivates you is related to your own Kryptonite Factor. In this book you'll discover five important principles from the life-coaching lessons Adam experienced: 1. Understand that your innate power is being diminished by your Kryptonite. 2. Discover your innate, acquired and productive personality traits. 3. Let go of your past pains, crises and self-degrading thoughts to gain personal freedom and regain your innate trust in life. 4. Build greater trust in yourself and in others to get people on your team and create winning teamwork. 5. Learn the principle of "What You See Is What You Get!" That's right-what you emotionally see is all you will ever achieve. Until you embrace your Kryptonite and change how you experience it, your life will never change. So seize your life, read the book, do the exercises and involve others around you in creating more joy and success.

In today's work environment, the lines between our professional and personal lives are blurred more than ever before. Whatever is happening to us outside of our workplace—whether stressful, painful, or joyful—follows us into work as well. We may think we have to keep these realities under wraps and act as if we "have it all together." But as Mike Robbins explains, we can work better, lead better, and be more engaged and fulfilled if—instead of trying to hide who we are—we show up fully and authentically. Mike, a sought-after motivational speaker and business consultant, has spent more than 15 years researching, writing, and speaking about essential human experiences and high performance in the workplace. His clients have ranged from Google to Citibank, from the U.S. Department of Labor to the San Francisco Giants. From small start-ups in Silicon Valley to family-owned businesses in the Midwest. From what he's seen and studied over the years, Mike believes that for us to thrive professionally, we must be willing to bring our whole selves to the work that we do. Bringing our whole selves to work means acknowledging that we're all vulnerable, imperfect human beings doing the best we can. It means having the courage to take risks, speak up, have compassion, ask for help, connect with others in a genuine way, and allow ourselves to be truly seen. In this book, Mike outlines five principles we can use to approach our own work in this spirit of openness and humanity, and to help the people we work with feel safe enough to do the same, so that the teams and organizations we're a part of can truly succeed. "This book will offer you insights, ideas, and tools to inspire you to bring all of who you are to the work that you do—regardless of where you work, what kind of work you do, and with whom you do it. And, if you're an owner, leader, or just someone who wants to have influence on those around you—this book will also give you specific techniques for

how to build or enhance your team's culture in such a way that encourages others to bring all of who they are to work."

Make Your Own Living Trust can help you make an individual or shared living trust that's valid in your state, saving your family time, money, and headaches. You can use a living trust to name beneficiaries for property and set up property management for young people. In this way, a living trust is like a will. However, unlike a will, a living trust lets your family bypass probate court— which saves everyone money, delay, and hassle. Make Your Own Living Trust provides all of the plain English instructions, worksheets, and forms you need to create an individual or shared living trust and a basic will (for yourself and your family), without the need for a lawyer. Whether you are single or part of a couple, you can use this book to: decide whether a living trust is right for your family keep control over trust property while you live appoint someone to manage trust property, if needed name beneficiaries to inherit your assets set up property management for young beneficiaries, and learn how to transfer all types of assets to your trust, including real estate, stocks, jewelry, art, or business assets. Even if you prefer to hire a lawyer to draw up your trust, you can use this book to learn about living trusts before you go to the lawyer. Using the book to learn about living trusts will save you a considerable amount of money, compared to paying a lawyer to explain it to you. All of the explanations, instructions, and examples are in the book, and the forms are available for download details inside the book. The legal forms in this book are not valid in Louisiana, Canada, or the U.S. Territories.

What if you promised God you would do anything . . . and he took you up on it? Anything is a prayer of surrender that will move you to stop chasing happiness and start living a surrendered life that matters. If you've ever felt lonely, lost, or like there must be more to life than constantly keeping up with the Joneses, then this book is for you. Previously caught in the dizzying haze of worldly happiness and empty pursuits, Jennie had had enough. She and her husband Zac prayed a courageous prayer of surrender: "God, we will do anything. Anything." They went on to begin living out the adventure God had written for them. This revised edition is updated throughout to include a new introduction and an in-depth Bible study component for those who have been wanting to lead a study on this topic. Join Jennie on an adventure to discover your anything, including: Factors that inhibit us from living a life of surrender to God What praying "Anything" really means What your life might look like having prayed it Jennie Allen shares the biblical truth that our lives are not meant to be safe and comfortable, but radical and profound. Discover how little worldly pursuits mean until you know the God who's truly worth giving up everything for. And when you do. . . everything will change. Anything is also available in Spanish, Lo que me pidas.

A love story set in the picturesque country of Ireland, with its majestic mountains and rolling emerald green valleys, a somber place where you fall in love. Christina O'Riley was working in New York at a dead end job, until a call from a lawyer in Ireland changed her life forever. An Uncle, whom she never knew existed, had left her his entire estate. What she didn't know was the mysteries that surrounded Willington Castle and the two hundred-year-old portrait of a man that would change her life forever. To unlock the secrets would put her life in danger, Until . . . Reece Wellington a handsome and arrogant ghost living in the castle for over two hundred years falls in love with the green-eyed beauty, Christina O'Riley. He knew the secrets she was searching for, but was hesitant in telling her, until he gained her trust and unlocked the passionate fire inside her. He vowed to protect her from the evils of the castle, what he wasn't prepared for was the hurt and pain he would cause her. As Christina searches deeper into her heritage, her life is threatened by the secrets behind Wellington Castle and her love for Reece is jeopardized in her search for the truth. Their love for each other only brings about conflict. How could they build a life together, when they were separated by the after-life of time, and what was in store for them when they finally committed to the haunting love they both tried to resist.

In Broken Harbour, a ghost estate outside Dublin - half-built, half-inhabited, half-abandoned - two children and their father are dead. The mother is on her way to intensive care. Scorcher Kennedy is given the case because he is the Murder squad's star detective. At first he and his rookie partner, Richie, think this is a simple one: Pat Spain was a casualty of the recession, so he killed his children, tried to kill his wife Jenny, and finished off with himself. But there are too many inexplicable details and the evidence is pointing in two directions at once. Scorcher's personal life is tugging for his attention. Seeing the case on the news has sent his sister Dina off the rails again, and she's resurrecting something that Scorcher thought he had tightly under control: what happened to their family, one summer at Broken Harbour, back when they were children. The neat compartments of his life are breaking down, and the sudden tangle of work and family is putting both at risk . . .

"This was my first C.F. Francis book and now I'm eager for more!" - USA Today bestselling author

Rachel Grant A secret from her past may cut her future short Every year since her 18th birthday, Savannah Finch receives a charm from an anonymous sender. Raised in foster care, with an undeserved stop in juvenile detention, Finch desires nothing more than a simple, uncomplicated life. But when an invitation to join her co-workers on a sunset cruise turns into a deadly threat, she's forced to make a perilous escape into the waters off the Sanibel shoreline, and her goal suddenly changes—to simply survive. Sanibel Police Detective, Rick Wilcowski, doesn't know what to make of the copper-eyed beauty he finds washed up on the beach, spinning a suspicious tale of abduction. Rick vows to keep his distance from the attractive, but contrary, woman until events convince him someone has targeted Finch. Finch has never had reason to trust the authorities and doesn't want to be under the watchful eye of the sexy detective. But as the heat grows between them and the threats to Finch escalate, Rick insists on being her protector as they investigate a twisted tale of international espionage, murder, and the secret the charms hold—a secret that could get her killed. Until now, skeptics in our left-brain world of logic and reason have denied the power of intuition, looking disparagingly upon those who rely on their gut feelings. But research in neuroscience and psychology confirms that human intuition is a real power, a tool for decision-making and spiritual growth.

Drawing heavily on the much vaunted John Lewis Partnership model, as well as looking at best practice from other companies, this book is about inclusive capitalism, which is about getting people in and on in work. Acting responsibly to all stakeholders is central to this theme, with employees, the most important stakeholder, the driver of it all. This book is about that other way, a fairer way . . . A sustainable way. Delivered in easy to digest sections, part one of the book looks at the principle behind the theory whilst part two explains how to deliver the theory in practical terms.

Unlocking Company Law is the ideal resource for learning and revising Company Law. Successful people have been using Master Mind groups for centuries to pursue and achieve their dreams. Now, you can also learn the secrets of putting their principles into action. Napoleon Hill wrote at great length about Master Mind groups and meetings in his classic book, "Think and Grow Rich." However, you can't expect to simply show up at a Master Mind meeting of like-minded individuals and walk away a success. You need to incorporate the essential Master Mind principles into your daily life and business practices. In this book, discover an array of strategies to implement those principles, including: how to use the law of attraction to your advantage; how to use self-control to meet your objectives; how to initiate and embrace leadership; how to continuously bring forth your strengths. The strategies you learn in this guidebook will reduce your daily stress while increasing your wealth. Be inspired to do your best in business and in life with "Victory One Moment at a Time." Not too long ago, somewhere along my way, I heard the phrase "sell belief," and it really struck true for me. I have always had the easiest of times selling ideas and things in my life that I had the strongest belief in. It's where the rubber meets the road, where everything just clicks into place and your business starts to hum. That is when you fully gain the trust and the right to call someone a customer or a client. By fully utilizing the Master Mind Principles your beliefs can be kicked into high gear, making the possibilities for your successes and victories endless. From the building of strong self confidence, to fully embracing your abilities to give - each of has the power within us to unlock the mysteries behind the Master Mind Principles. "Authenticity, hope, clarity and focus are words that spring from each page as one reads Cheri Ruskus' Victory One Moment at a Time. You will find yourself in this book. Cheri's words come from experience. Her inspiration comes from her heart." - Laurie Taylor, Business Growth Specialist, FlashPoint! "Over-used and abused... that is what I think of when I hear the word Master Mind. That is, until I met Cheri Ruskus. Cheri takes the Master Mind concept and gives you an actionable, effective, step-by-step guide to grow a kick ass business." - Mike Michalowicz, Author Toilet Paper Entrepreneur "Victory One Moment at a Time teaches passionate entrepreneurs the keys to launching a successful, long-term business. It is an invaluable resource for anyone who wants to embrace the entrepreneurial lifestyle and make a name for themselves and their ideas. This is a book that you will refer to over and over again for the rest of your entrepreneurial life." - Jessica Swanson, President of Shoestring Marketing Association

What makes a great team? Author, leadership expert, and corporate consultant looks at how businesses can build trust and achieve high performance. Have you ever been on a team where the talent was strong, but the team wasn't very good? On the flip side, have you ever been on a team where not every single member was a rock star, but something about the team just worked? We've all had these types of experiences. And yet, it can be difficult to understand what makes one team successful and another one not. In this book, Mike Robbins dives deep into the ways great business-

es build trust, collaborate, and operate at their peak level. As an expert in teamwork, leadership, and emotional intelligence, Mike draws on more than 20 years of experience working with top companies like Google and Microsoft, as well as his baseball career with the Kansas City Royals. And, while each team and organization have their own unique challenges, goals, and dynamics, there are some universal qualities that allow teams to truly come together and thrive. The book's core principles include fostering an environment of psychological safety, fostering inclusion and belonging, addressing and navigating conflict, and maintaining a healthy balance of high expectations and empathy. Throughout, Mike shares powerful exercises and tools he's successfully utilized in the keynote speeches, group sessions and corporate retreats that he delivers, so that you and your team can communicate more authentically, give and receive feedback with skill, and create deeper connections. *We're All in This Together* also features personal stories and interviews with high-level business leaders and thought leaders to provide insights into an ever-changing workplace culture. *** "For us to do our best work, have the kind of impact we truly want to have, and unlock our full potential, we can't do it alone; we must do it together. If you and your team are willing to do what it takes, you can build and sustain an incredibly strong culture of trust and performance, and accomplish remarkable things." -Mike Robbins
