The fascinating inside story behind the cult French fashion label A.P.C. A.P.C. (Atelier de Production et de Création) was created as a reaction to the excesses of the 1980s, and the minimalist designs of founder Jean Touitou now have a cult following. This compelling book, published on the occasion of A.P.C.'s 30th anniversary, carries the same minimal aesthetic - yet it's packed with never-before-seen illustrations and ephemera. Part retrospective of the brand and part personal scrapbook and visual diary, the book includes invitations, postcards, ad campaigns, images of their stores, and collaborations with other designers.

Petrogav International provides courses for participants that intend to work on onshore oil and gas fields. Training courses are taught by professionals from the oil and gas industry with current knowledge and more than 25 years of field experience.
