Venom is back in his classic form, and deadlier than ever! The symbiote you know and love has returned to New York City. No more "Agent of the Cosmos." No more "Lethal Protector."

Eddie, the most infamous host of the Symbiote, is reunited with Venom, they're saying "We're Back!" and the subtitle is "Homecoming", so Eddie Brock/Venom fans (there must be some) should reasonably expect this to be about the pair - Venom being just one example of Marvel probably deciding to go back to the classic incarnation of the character after seeing how re
