Viriconium M John Harrison

Viriconium is a series of novels and stories written by M. John Harrison between 1971 and 1984, set in and around the fictional city of the same name. In the first novel in the series, the city of Viriconium exists in a future Earth littered with the technological detritus of millennia. However, variations of the city appear throughout the series, in an attempt by Harrison to subvert the concept of thoroughly-mapped secondary worlds featured in certain works of fantasy, particularly those by J.

Viriconium - Wikipedia

"M. John Harrison is a true master of English prose. He possesses the eye of a painter, the ear of a bard, and a rigorous and playful intellect. The Viriconium novels and stories are infused with a haunting genius that never falters."—K.J. Bishop, author of *The Etched City*

M. John Harrison marshals an arsenal of arcane vocabulary to describe the fetid desuetude of the world of his mythical city of Viriconium. In a handful of stories written over the span of more than a decade, starting in 1971, he traces the fractured, half-

remembered rise and fall of the eponymous imagined future city, founded many millennia after the demise of our own civilization.

And so we come to the end of M. John Harrison's trilogy of novels set in the far, far future of our world. For In Viriconium (1982) Harrison drops almost all elements of heroic fantasy in presenting the story of the artist Ashlyme. Ashlyme's effort to rescue another artist, the reclusive Audsley King, from a plague outbreak is set against the antics of two manic deities.

And then, no longer baroque, M. John Harrison's prose became transparent, but it was a treacherous transparency. Like its predecessors, *In Viriconium* is a novel about a hero attempting to rescue his princess, a tale of a dwarf, an inventor and a threatened city, but now the huge canvas of the first book has become a small and personal tale of heartbreak and of se-

crets and of memory.
