It is not on the subject of the costs. Its very nearly what you dependence currently. This Wild Ride The Rise And Tragic Fall Of Calumet Farm Inc Americas Premier Racing Dynasty, as one of the most in action sellers here will entirely be among the best options to review.

2PV6KP - NEAL GAGE

Written with the sweep of an epic novel and grounded in extensive research into contemporary documents, *Savage Peace* is a striking portrait of American democracy under stress. It is the surprising story of America in the year 1919. In the aftermath of an unprecedented worldwide war and a flu pandemic, Americans began the year full of hope, expecting to reap the benefits of peace. But instead, the fear of terrorism filled their days. Bolshevism was the new menace, and the federal government, utilizing a vast network of domestic spies, began to watch anyone deemed suspicious. A young lawyer named J. Edgar Hoover headed a brand-new intelligence division of the Bureau of Investigation (later to become the FBI). Bombs exploded on the doorstep of the attorney general's home in Washington, D.C., and thirty-six parcels containing bombs were discovered at post offices across the country. Poet and journalist Carl Sandburg, recently returned from abroad with a trunk full of Bolshevik literature, was detained in New York, his trunk seized. A twenty-one-year-old Russian girl living in New York was sentenced to fifteen years in prison for protesting U.S. intervention in Arctic Russia, where thousands of American soldiers remained after the Armistice, ostensibly to guard supplies but in reality to join a British force meant to be a warning to the new Bolshevik government. In 1919, wartime legislation intended to curb criticism of the government was extended and even strengthened. Labor strife was a daily occurrence. And decorated African-American soldiers, returning home to claim the democracy for which they had risked their lives, were badly disappointed. Lynchings continued, race riots would erupt in twenty-six cities before the year ended, and secret agents from the government's "Negro Subversion" unit routinely shadowed outspoken African-Americans. Adding a vivid human drama to the greater historical narrative, *Savage Peace* brings 1919 alive through the people who played a major role in making the year so remarkable. Among them are William Monroe Trotter, who tried to put democracy for African-Americans on the agenda at the Paris peace talks; Supreme Court associate justice Oliver Wendell Holmes Jr., who struggled to find a balance between free speech and legitimate government restrictions for reasons of national security, producing a memorable decision for the future of free speech in America; and journalist Ray Stannard Baker, confidant of President Woodrow Wilson, who watched carefully as Wilson's idealism crumbled and wrote the best accounts we have of the president's frustration and disappointment. Weaving together the stories of a panoramic cast of characters, from Albert Einstein to Helen Keller, Ann Hagedorn brilliantly illuminates America at a pivotal moment.

Garrett McNamara, or G-Mac, dreams of being the first to ride a 100-foot wave. As the current tow-in surfing champion of the world, the Hawaiian surfer trains daily, pushing his body to its limit as he prepares for gnarly waves, crashing surf, breathtaking plunges, and adrenaline-rushing rides. Garrett knows no limits. Injured multiple times, he has been towed onto and released into giant waves by skidoos and even a helicopter. He has starred in an IMAX film called *Big Wave Hunters* about his extreme adventures, and he has worked on creating an extreme surfing reality television show. In this **AUTHORIZED BIOGRAPHY** with eye-popping photographs, Garrett shares his passion with young readers.

Nominated for an Edgar Award This "historical page-turner of the highest order" (*The Wall Street Journal*) tells the chilling story of an American-born Soviet spy in the atom bomb project in World War II, perfect for fans of *The Americans*. George Koval was born in Iowa. In 1932, his parents, Russian Jews who had emigrated because of anti-Semitism, decided to return home to live out their socialist ideals. George, who was as committed to socialism as they were, went with them. There, he was recruited by the Soviet Army as a spy and returned to the US in 1940. A gifted science student, he enrolled at Columbia University, where he knew scientists soon to join the Manhattan Project, America's atom bomb program. After being drafted into the US Army, George used his scientific background and connections to secure an assignment at a site where plutonium and uranium were produced to fuel the atom bomb. There, and later in a second top-secret location, he had full access to all facilities, and he passed highly sensitive information to Moscow. There were hundreds of spies in the US during World War II, but Koval was the only Soviet military spy with security clearances in the atomic-bomb project. The ultimate sleeper agent, he was an all-American boy who had played baseball, loved Walt Whitman's poetry, and mingled freely with fellow Americans. After the war he got away without a scratch. It is indisputable that his information landed in the right hands in Moscow. In 1949, Soviet scientists produced a bomb identical to America's years earlier than US experts expected. A gripping, fast-paced, and "fascinating" (Bob Shacochis, National Book Award-winning author of *The Woman Who Lost Her Soul*) story about one undetected spy whose actions influenced history, *Sleeper Agent* is perfect for Ben Macintyre fans.

The youngest American to ever orbit the earth—cancer survivor Hayley Arceneaux—shows us all that when we face our fears with hope and faith, extraordinary things can happen. "A potent reminder to all of us that nothing on earth—or in the heavens, for that matter—can keep us from becoming commanders of our own destiny."—Marlo Thomas, actor, author, and national outreach director for St. Jude Children's Research Hospital In this boldly optimistic debut memoir, Hayley Arceneaux details how she overcame seemingly insurmountable odds to grab hold of a life greater than she'd ever imagined. With her signature upbeat messaging, Arceneaux recounts her odyssey, from her cancer diagnosis at age ten and the yearlong treatment that inspired her goal of working with pediatric cancer patients, to living through her father's terminal cancer diagnosis, to getting her lifelong dream job at St. Jude Children's Research Hospital as a physician assistant. She was sure she'd finally attained the life she wanted, and then the amazing and unimaginable happened: She was invited to go to space as a St. Jude ambassador. Throughout the book, Arceneaux encourages readers to fight for the life they want, saying, You have to hold on, because you don't know what great thing can come and change your life. Take the chance and you will feel, and learn, and grow, and become even more you. Following your dreams can take you to dreams you didn't know you had. Arceneaux's uplifting story is the inspiration we all need today. She offers wisdom and lessons in courage to anyone fighting against the odds. And through it all, she reveals how resilience and faith can help us grab hold of the life we've always wanted and live it to the fullest.

Edward is nearly four years old when he begins his slow, painful withdrawal from the world. For those who love him -- his father, Jack, and mother, Rachel, pregnant with their third child -- the transformation of their happy, intelligent firstborn into a sleepless, feral stranger is a devastating blow,

one that brings enormous ramifications not just for Edward and his parents, but also for their younger son, Matt, and soon-to-be-born daughter. *A Wild Ride Up the Cupboards* follows this nuclear family as Rachel and Jack try to come to terms with their son's descent into autism (or something like it) and struggle to sustain their marriage under this unanticipated strain. Threaded through the novel, too, is the story of Rachel's deceased uncle Mickey, who may have suffered from a similar disorder at a time when parenting, pediatrics, and ideas about child psychology were entirely different from today's. As Rachel delves into her own family history in search of answers, flashbacks to Mickey's life afford moving insight into the nature of childhood disorders and the coping mechanisms of different families. A spellbinding, brilliantly nuanced portrait of a marriage and a family, this compelling drama also poses provocative, real-life questions: How much should a mother sacrifice for her children? How much intervention is too much? When do parents' ambitions for their offspring become counterproductive, even destructive? Who should decide what is best for the child? Is it ever worth sacrificing a marriage for a child? *A Wild Ride Up the Cupboards* is a carefully crafted, compulsively readable, emotional page-turner that reveals a remarkable gift for language and storytelling and enormous insight into the complexities and dilemmas of domestic life and parenthood. It is a striking exploration of love, faith, and sacrifice that will resonate with readers everywhere.

Reveals unsettling practices in the privatization of American national security services to trace the establishment of and questionable dependency on private military and security companies. By the author of *Savage Peace*. 40,000 first printing.

In an era that witnessed the rise of celebrity outlaws like Baby Face Nelson, Pretty Boy Floyd, and Bonnie and Clyde, John Dillinger was the most famous and flamboyant of them all. Reports on the man and his misdeeds--spiced with accounts of his swashbuckling bravado and cool daring--provided an America worn down by the Great Depression with a salacious mix of sex and violence that proved irresistible. In *Dillinger's Wild Ride*, Elliott J. Gorn provides a riveting account of the year between 1933 and 1934, when the Dillinger gang pulled over a dozen bank jobs, and stole hundreds of thousands of dollars. A dozen men--police, FBI agents, gangsters, and civilians--lost their lives in the rampage, and American newspapers breathlessly followed every shooting and jail-break. As Dillinger's wild year unfolded, the tale grew larger and larger in newspapers and newsreels, and even today, Dillinger is the subject of pulp literature, serious poetry and fiction, and films, including a new movie starring Johnny Depp. What is the power of his story? Why has it lingered so long? Who was John Dillinger? Gorn illuminates the significance of Dillinger's tremendous fame and the endurance of his legacy, arguing that he represented an American fascination with primitive freedom against social convention. Dillinger's story has much to tell us about our enduring fascination with outlaws, crime and violence, about the complexity of our transition from rural to urban life, and about the transformation of America during the Great Depression. *Dillinger's Wild Ride* is a compulsively readable story with an unforgettable protagonist.

Major Garrett has been reporting on the White House for nearly two decades, covering four different presidencies for three news outlets. But if he thought that his distinguished journalistic career had prepared him for the unique challenges of covering Donald Trump, he was in for a surprise. Like many others in Washington, Garrett found himself having to unlearn many of his own settled notions about the nature and function of the presidency. He also had to separate the carnival-like noise of the Trump presidency from its underlying substance. For even in its first half, Trump's tenure has been highly consequential. In *Mr. Trump's Wild Ride*, Major Garrett provides what journalists are often said to do, but usually don't: a true first draft of history. His goal was to sift through the mountains of distracting tweets and shrieking headlines in order to focus on the most significant moments of Trump's young presidency, the ones that Garrett believes will have a lasting impact. The result is an authoritative, mature, and consistently entertaining account of one of the strangest eras in American political history. A consummate professional with unimpeachable integrity, remarkable storytelling skills, and a deep knowledge of his subject earned through decades of experience, Garrett brings to life the twists and turns of covering this White House and its unconventional occupant with wit, sagacity and style. *Mr. Trump's Wild Ride* should place him securely in the first rank of Washington journalists.

This year's winner of the Yale Series of Younger Poets competition is Maurice Manning's *Lawrence Booth's Book of Visions*. These compelling poems take us on a wild ride through the life of a man-child in the rural South. Presenting a cast of allegorical, yet very real, characters, the poems have authority, daring, and a language of colour and sure movement, says series judge W.S. Merwin. Maurice Manning is a native of Danville, Kentucky. He holds degrees from Earlham College, the University of Kentucky, and the University of Alabama, where he received his MFA in 1999. He has held a writing fellowship to The Fine Arts Work Center in Provincetown. He currently teaches English at DePauw University in Greencastle, Indiana. From *Seven Chimeras* The way Booth makes a love story: same as a regular story, except under one rock is a trapdoor that leads to a room full of belly buttons; each must be pushed, one is a landmine. The way Booth makes hope: thirty-seven acres, Black Damon, Red Dog. Construct a pillar of fire in the Great Field and let it become unquenchable. The way Booth ends the Jack-in-the-Box charade: shoot the weasel in the neck and toss it to the buzzards. The way Booth think

From his start as an owner in the World Hockey Association at the age of 28 ("slim and none" was a Boston sportswriter's assessment of Howard's chances when he was first awarded the New England Whalers franchise), to winning the Stanley Cup with the Pittsburgh Penguins and then on to Hollywood success, sports entrepreneur and film producer Howard Baldwin recounts his spirited and hugely entertaining life story. Howard Baldwin has lived his life according to his belief that the life best-lived is one in which we pursue our heart's desire. He never met a challenge he couldn't beat. Beginning with his move at the age of twenty-eight from an entry-level position in the ticket office of the Philadelphia Flyers to acquiring and building his own WHA franchise in New England, Howard has built an impressive reputation as a pioneer — and a maverick — in the world of professional hockey. As President of the WHA, Baldwin led the merger with the NHL, and then later became a key figure in the expansion of North American hockey into Russia. Topping his journey in hockey off with a stint as chairman of the Pittsburgh Penguins, he then moved successfully into the film industry, producing a number of outstanding films including the Academy-Award winning *Ray*. *Slim and None* is a story of perseverance, persistence, and ultimately, personal fulfillment. Baldwin and Milton have crafted

an intimate portrait of a life within hockey spanning from the rebellious 1970s to the tumultuous 1990s and beyond into the exciting world of the movies.

Life is a fascinating thing, just when we think we know it, we lose it. It is ever changing, ever evolving, and this means in multiple senses of the word. For Andrew he might not be happy with his life, but he accepts it. He goes to work, he plays video games, he's accepted he will die alone. That he can't find soul mate after spending a long time looking for the right person. As someone who is used to calling his own shots he's about to find out what happens when you play hooky, and take things at face value in *Wild Ride*. In a three day period his life is about to change in ways that he could never predict, and he'll never complain about.

"Elle Ward, daughter of Hollywood's hottest director, has sworn off actors for life. She knows their games and she refuses to play them. That is until the day she collides with one of LA's most promising actors. Kas Cowen isn't looking for love until it literally runs him down. One look at Elle and he's hooked. He crashes into her life and flips it upside down. Now he has to convince Elle he's more than just a pretty face."--Back cover.

The night I met Shane Sorrenson started off as the worst one of my life. I had just broken up with my fiancé, John, after a huge fight. I decided I would rather walk home in the rain than drive with him another minute. Then Shane pulled up next to me on his Harley. He was huge, sexy and dangerous. Everything I'd never even dared fantasize about. I should have made him take me to a hotel, or a friend's house, or anywhere. Instead, I let him take me to his condo where he turned the worst night of my life into the most erotic, sensual experience I never would have imagined in my wildest dreams.

Presents an account of the activities of the Dillinger gang in 1933 and 1934 when they robbed over a dozen banks.

'A rollicking good yarn about a national icon... well worth the journey.' Herald Sun In 1853, a young American arrived in the new colony of Victoria hoping to make his fortune from the world's greatest gold rush. He soon realised where the real money was to be made, and established a coach company that would eventually carry his name onto every household in the land: Cobb & Co. But Freeman Cobb himself was long gone by the time the company bearing his name became an Australian legend. *Wild Ride* is the story of the two extraordinary men, James Rutherford and Frank Whitney, who along with their business partners took Freeman Cobb's humble company and made it into an Australian legend. These were pioneers, carving a path through otherwise impassable terrain, settling unsettled land, enduring bushrangers and terrible accidents, and making their fortunes. The Rutherford and Whitney families became two of the most significant of their era, unrivalled in their influence and, finally, vicious in their falling out. Written with unprecedented access to these families' letters and diaries, *Wild Ride* reveals the Cobb & Co story in all its drama, conflict and tragedy. It is the compelling and human story of Australia's first great company and the people who made it an icon. 'A lively, popular history with broad appeal, *Wild Ride* is full of colourful detail and anecdotes.' The Age

Riding the Bubble is the DAILY DIARY of a millionaire real estate investor learning the business from the ground up during the most volatile market in history. Anyone who has ever contemplated flipping houses or investing in real estate should read this book. Author Scott Benjamin began taking meticulous notes before owning any properties. He describes, in great detail, the process of finding, fixing and flipping his first house. His story includes the trials and tribulations of raising money, buying and developing land, purchasing an office building, owning rental property - all the way through the development of a 193-unit apartment complex and accumulation of over \$2,000,000 of net worth. This book is uniquely written in real time over the course of 10 years of real estate growth. Learn and experience the thrills of making money during the rise of the real estate bubble and live alongside Scott during the crash that cost him millions of dollars. With complete honesty and open financial disclosures, *Riding the Bubble* will absolutely open your eyes and provide an insider's look into what real estate investing is all about.

From the time Dana Liesegang could walk, she was out looking for adventure, and she never stopped. As a fearless child in the Pacific Northwest, she climbed trees, caught frogs, and held her own with any boy in town. She brought that true-grit, fire-in-her-belly attitude to the Navy . . . and to her recovery from the unthinkable. At the age of 19, she was sexually assaulted by a fellow sailor and thrown off a cliff, left for dead. She survived—but woke up in a hospital hours later paralyzed from the neck down, with doctors giving no hope for recovery. They underestimated the spirit and stubbornness of their patient. In *Falling Up: My Wild Ride from Victim to Kick-Ass Victory*, Dana recounts her agonizing and sometimes comical struggle from total dependence to doing the "impossible": walking again. With equal parts humor and rawness, she brings us along on her wild ride, as she navigates her new world, hurtles through rocky relationships, deals with family secrets, and returns to her love of sports and the outdoors. In the process, she learns the importance of forgiveness, discovers the awe-inspiring power of belief and perseverance, and transforms herself from silent victim to outspoken advocate and inspiration for people everywhere. After all, sometimes an unexpected fall can lead a person to reach for magnificent heights.

(Book). Here is the story of an often overlooked, one-of-a-kind rock 'n' roll musician and the historic times he lived in. In spite of numerous opportunities for success, he became a tragedy. Jerry Nolan came out of New York in the 1970s as part of two of the most influential and infamous bands of the time, the proto-punk New York Dolls and Johnny Thunders' Heartbreakers. Jerry had what it took to be a star, but his battles with heroin continually stymied his career and ultimately ended his life. Despite this, he is remembered as a cross between a Martin Scorsese film character and jazz legend Gene Krupa: a stylish, urban, wisecracking, trendsetting raconteur, who was also a powerhouse drummer. *Stranded in the Jungle: Jerry Nolan's Wild Ride A Tale of Drugs, Fashion, the New York Dolls, and Punk Rock* tells Jerry's story through extensive research and interviews with those closest to him: bandmates, friends, lovers, and family members, including new interviews with members of Rock and Roll Hall of Fame bands the Sex Pistols, the Ramones, Talking Heads, and Blondie. It gives firsthand accounts of not only Jerry's life and struggles but the earliest history of punk rock in both New York and London, highlighting his notorious and incendiary musical partner, Johnny Thunders.

Wild Ride is ... [an] investigation of the fast-track, multibillion-dollar thoroughbred industry racing what the New York Yankees are to baseball- a sporty dynasty. From Library Journal.

Not all killers can be tamed... The thrilling second book in the Sunday Times bestselling Detective Jack Warr crime series. Wild mustangs are difficult to rope, their lead stallion wary and protective of his herd. To capture that special stallion takes time. He is separated, roped, and lead back to the ranch. Once tamed, he is sent back into the wild. And before long, he will lead the entire herd back to the ranch. He is given the name 'Judas Horse'. When Detective Jack Warr identifies an informer, the terrified man begins to give details of a massive robbery planned by a team of unscrupulous and dangerous men. These men have already orchestrated many audacious robberies, leaving terrified victims in their wake. And they have already killed to get what they want. Detective Jack Warr and his team must use their informant as a 'Judas Horse' to draw in the unsuspecting robbers, so that they go ahead with the planned robbery. However, one false move, and more blood will be spilled . . .

From the two Time correspondents who cracked the story, the definitive book on the Bank of Credit

and Commerce International: an explosive, fast-paced expose of one of the largest criminal conspiracies in history. Beatty and Gwynne's riveting first-person account not only puts all the pieces together for the first time, but brings to life the cloak-and-dagger intrigue that surrounded their investigation. 16 pages of photos.

To the fan, the rodeo cowboy is the distinctly American embodiment of the romantic Old West. But to the young men who live the profession, the realities are modest pay, continuous travel, and the constant threat of injury. While he was the Denver bureau chief of the New York Times, Dirk Johnson spent a year on the professional rodeo circuit with cowboys, watching them try to hang on to bucking horses and Brahma bulls—and to wives and livelihoods that seemed only one fall away from disappearing. *Biting the Dust* covers the circuit's biggest events in Denver, the capital of the New West, to small towns on the Great Plains like McCook, Nebraska, where rodeo continues to thrive even as the population shrinks. Johnson takes the reader beyond sentimental visions of the rodeo cowboy and the American West and provides an unforgettable and authentic story of the rodeo today.

Chronicling the scandal and treachery that marked the destruction of historic Calumet Farms, which bred more Kentucky Derby winners than any other stable, a generation-spanning history shows how crime and new money invaded the bluegrass world of thoroughbreds. 50,000 first printing. Tour.

A laugh-out-loud, one-word adventure features a mischievous cow who borrows a farmer's car and takes a wild ride through the country that comes to a troublesome end with a bump in the road.

An award-winning writer chronicles the tragic story behind the downfall of horse racing's crown jewel. Founded in 1924 by Chicago mogul William Monroe Wright, Calumet Farm was to the world of thoroughbred racing what the New York Yankees are to baseball -- a sports dynasty. The stable bred so many superstars that it became the standard by which all achievements were measured in the horse racing industry. But during the 1980s, a web of financial schemes left Calumet destitute. *Wild Ride* is Ann Hagedorn Auerbach's investigation of the fast-track, multibillion-dollar thoroughbred industry and the fall of Calumet -- the inside story of a debacle that extended further than anyone could have imagined. Spanning four generations, this fast-paced saga brings to life a gallery of colorful characters from Calumet's glittery past. *Wild Ride* shows the industry's transformation from a clubby blue-blood society where a handshake closed a deal to a high-stakes business bulging with bankers and scandalous deal making. When the Bluegrass Bubble exploded, one of America's largest family fortunes lay in ruins. "A fascinating tale with a cast of characters worthy of Dickens -- or Runyon." -- Carl Desens, Business Week

Uber is one of the most fascinating and controversial businesses in the world, both beloved for its elegant ride-hailing concept and heady growth, and condemned for CEO Travis Kalanick's ruthless pursuit of success at all cost. In *'Wild Ride'*, Adam Lashinsky, veteran Fortune writer and author of *'Inside Apple'*, traces the story of Uber's meteoric rise: from its murky origins to its plans for expansion into radically different industries.

Newbery Honor author Rodman Philbrick sends readers rushing down a raging river on a life-or-death adventure when a white water rafting trip goes terribly wrong! Daniel Redmayne is fast asleep on the first night of a white water rafting trip, when he's awoken by screams. The dam has failed. The river is surging, and their camp will be under water in a matter of moments. As the shrieking roar of the river rushes closer, the kids scramble to higher ground. They make it; their counselors do not. Now they're on their own, with barely any food or supplies, in the middle of the Montana wilderness. Do Daniel and his four classmates have what it takes to stay alive until they can get rescued? Alone in the wild, they forge powerful bonds -- but develop dangerous disagreements. If nature doesn't break them, they might just destroy each other. This gripping survival story from the Newbery Honor author of *Wildfire* is filled with adrenaline-pumping adventure and moments of true bravery.

For the filly Estrella, nothing is more precious than freedom. She was born at sea, chattel to men sailing to the New World in search of gold. But Estrella and her herd escaped the conquerors and embarked on a journey across thousands of miles -- bra

The "New York Times"-bestselling duo of Crusie and Mayer teams up again with a hilarious paranormal novel that shows why the wildest ride at the Dreamland amusement park isn't the roller coaster. Martin's Press.

An Oxford graduate and a lawyer by trade, Abram S. Hewitt held a deep fascination for equine pedigrees and genetics and wrote a series of articles examining the most influential early to mid-20th-century American stallions. These articles became *Sire Lines*. Eclipse Press is proud once again to offer this classic work to Thoroughbred racing enthusiasts everywhere.

A marquis must produce an heir or lose everything he holds dear. Father gave me an ultimatum, beget a child or he'd cut me off. After years of marriage, my wife Lady Pru had yet to conceive. Father blamed her; I suspected it was me. Desperate, I asked my friend Duncan to give Pru the child she desperately wanted.

The third volume in the *Kid Beowulf* series by Alexis E. Fajardo is an action-adventure swashbuckler with a dash of romance set in medieval Spain. Based on the Spanish national epic, *El Cid*, *Kid Beowulf: The Rise of El Cid* picks up shortly after the events of book two. *Beowulf* and *Grendel* are in war-torn Spain, where honor is hard-fought, allegiances are dubious, and the bulls run wild. Amidst it all comes a young knight named Rodrigo, who fights for the name he's lost, the land he loves, and the virtue they've both forgotten. It continues the *Kid Beowulf* narrative and gives *Beowulf* and *Grendel* new characters to meet and lessons to learn.

Cobb & Co. began when a young American, Freeman Cobb, arrived in Melbourne in the 1950s to seek his fortune and instead of heading to the Victorian goldfields, he started up a coaching transport company: Cobb & Co. But he left Australia a few years later and it was another American Rutherford, who created the business.

In the 1990s, all eyes turned to the momentous changes in Russia, as the world's largest country was transformed into the world's newest democracy. But the heroic images of Boris Yeltsin atop a tank in front of Moscow's White House soon turned to grim new realities: a currency in freefall and a war in Chechnya; on the street, flashy new money and a vicious Russian mafia contrasted with doctors and teachers not receiving salaries for months at a time. If this was what capitalism brought, many Russians wondered if they weren't better off under the communists. This new society did not just appear ready-made: it was created by a handful of powerful men who came to be known as the oligarchs and the young reformers. The oligarchs were fast-talking businessmen who laid claim to Russia's vast natural resources. The young reformers were an elite group of egghead economists who got to put their wild theories into action, with results that were sometimes inspiring, sometimes devastating. With unparalleled access and acute insight, Chrystia Freeland takes us behind the scenes and shows us how these two groups misused a historic opportunity to build a new Russia. Their achievements were considerable, but their mistakes will deform Russian society for generations to come. Along with a gripping account of the incredible events in Russia's corridors of power, Freeland gives us a vivid sense of the buzz and hustle of the new Russia, and inside stories of the businesses that have beaten the odds and become successful and profitable. She also exposes the conflicts and compromises that developed when red directors of old Soviet firms and factories yielded to -- or fought -- the radically new ways of doing business. She delves into the loophole economy, where anyone who knows how to manipulate the new rules can make a fast buck. *Sale of the Century* is a fascinating fly-on-the-wall economic thriller -- an astonishing and essential account of who re-

ally controls Russia's new frontier.

The only patch-wearing outlaw biker to become a sworn police officer — and live to tell his tale In 1977, Wayne “Big Chuck” Bradshaw was Jersey tough. He was a member of the outlaw Pagans bike gang, a One Percenter, and had earned his colours in a world of boozing, bloody bar fights, and high-stakes crime. But after getting too close to extreme violence, Bradshaw made the life-threatening decision to change his path. The toughness Bradshaw used to survive biker life led him to a distinguished and heroic career as an undercover narcotics officer for the same New Jersey police department that had once arrested him. Bradshaw tells his story with the truth of the streets, from his time in the U.S. Army to his decision to join the Pagans, to the wild adventures of working narcotic stings. He rode with truly dangerous criminals and then returned to those same places as a cop. He tracks down fugitives in Jersey's toughest neighbourhoods, risks his life rescuing dozens from a fire in a seniors' residence, and volunteers in the aftermath of 9/11. Jersey Tough is an unflinching memoir of personal struggle, of battling with darkness, and ultimately of redemption.

Some of horse racing's most respected authorities looked at feats of greatness, world records, legendary rivalries, and innovations to rank the sport's top 100 moments. They weighed individual accomplishments against industry initiatives, innovations against lucky breaks to come up with the definitive list. They pondered Secretariat's 31-length Belmont Stakes victory, Smarty Jones' elusive Triple Crown, the creation of the Breeders' Cup, and advancements in equine surgery. Racing's top 100 list will generate debate for years to come, just as did the ranking of Man o' War over Secretariat as Horse of the Century. Richly illustrated with historic and modern photos, Horse Racing's Top

100 Moments also contains comprehensive lists of leading earners, fastest times, highest prices, and most races won.

A shocking investigation of the world's fastest growing criminal enterprise, kidnapping for ransom and political advantage, offers the first detailed look at the furtive perpetrators, their victims, and the international role of the FBI. Reprint. 12,500 first printing.

When the Histrionauts travel back in time to the Viking era they'll need your help to uncover the secrets of the past. Forage for food, decipher runes, build beautiful burial boats and hear all about a Viking raid. An exciting mix of story, facts and activity!

This beloved cult novel—about a young man who makes a business of relaying messages from the dead—is now in a sparkling English translation Poor, poor, hard-luck Herbert Sarkar: born into a fancy Calcutta family but cursed from birth (his philandering movie director father is killed in a car crash and his mother dies soon after, when he's still just a baby), he is taken as an orphan into his uncle's house, only to fall further and further down the family totem pole. Despite good looks (“Hollywood-ish, Leslie Howard-ish”) and native talents, he is scorned by all but his kind aunt. Poor Herbert: so lovable but so little loved. Cheated of his inheritance, living on the roof in cast-off clothing, he pines for love, but all is woe: his own nephews beat him up. At twenty, however, he suddenly seems to possess the gift of speaking with the dead. Herbert is bathed in glory. From less than zero to starry heights—what an apotheosis. The wheel of fortune turns again, all too soon... Legendary, scathingly satiric, wildly energetic, deeply tender, Herbert is an Indian masterwork.
