South Africa is the southernmost country in Africa. It is the 25th-largest country in the world by land area, and with close to 56 million people, is the world's 24th-most populous nation.. The World Bank classifies South Africa as an upper-middle-income economy, and a newly industrialised country. Its economy is the second-largest in Africa, and the 34th-largest in the world.

List of companies of South Africa - Wikipedia

By the nature of its woven wire or welded wire design, WireCrafters® guarding systems provide an unparalleled level of safety and security. The traditional woven wire mesh machine guarding systems are constructed of a 10 GA wire, woven into a 2" x 1" rectangular mesh. This heavy mesh is welded inside a 1-1/4" x 1-1/4" x 1/8" angle frame.
