### OFJEDO - MICHAELA AIDAN

*World Order by Henry Kissinger: 9780143127710 ...*

There has never been a true "world order," Kissinger observes. For most of history, civilizations defined their own concepts of order. Each considered itself the center of the world and envisioned its distinct principles as universally relevant. China conceived of a global cultural hierarchy with the emperor at its pinnacle.

World Order, by Henry Kissinger, is a book about modern political theory and its application in current events, or theoretical future events. I will preface by saying that Henry Kissinger is apparently a controversial figure, although it is hard to argue that his grasp and knowledge of diplomacy and policy crafting at both a national (United States) and international level is considerable.

*The Coronavirus Pandemic Will Forever Alter the World Order*

Book review: World Order, by Henry Kissinger. 2014, Penguin Press. 433 pages, R\$46,73 (Kindle, amazon.com.br) Henry Kissinger's book Diplomacy, published in 1994, has perhaps been the most widely read international affairs book over the past two decades, influencing both policy makers and scholars around the world. Rightly so, for his analysis is intellectually rigorous and factual flaws are rare, even though the book's title is misleading as Kissinger, in a classic Western-centric fashion ...

In World Order, Henry Kissinger - one of the leading practitioners of world diplomacy and author of On China - makes his monumental investigation into the 'tectonic plates' of global history and state relations. World Order is the summation of Henry Kissinger's thinking about history, strategy and statecraft. As if taking a perspective from far above the globe, it examines the great tectonic plates of history and the motivations of nations, explaining the attitudes that states and empires ...

Henry Kissinger Calls for a New Post-Covid World Order. Henry Kissinger thinks the Coronavirus is a threat to his precious New World Order, so he wants President Trump to do whatever he can to protect the system. In an opinion piece that was published in the Wall Street Journal on Friday, the former Secretary of State urged Trump to launch a grand project, like the Marshall Plan, to unify the allies and convince them that the Uncle Sam can still rally the troops in a time of crisis.

There has never been a true "world order," Kissinger observes. For most of history, civilizations defined their own concepts of order. Each considered itself the center of the world and envisioned its distinct principles as universally relevant. China conceived of a global cultural hierarchy with the emperor at its pinnacle.

*World Order: Reflections on the Character of Nations and ...*

World Order is a book about global politics written by Henry Kissinger. Summary. In World Order, Kissinger explains four systems of historic world order: the Westphalian Peace born of 17th-century Europe, the central imperium philosophy of China, the religious supremacism of political Islam, and the democratic idealism of the United States. Kissinger aims to provide a window into today's struggling framework of international order.

*Book review: "World Order" by Henry Kissinger*

Henry Kissinger offers in World Order a deep meditation on the roots of international harmony and global disorder. Drawing on his experience as one of the foremost statesmen of the modern era—advising presidents, traveling the world, observing and shaping the central foreign policy events of recent decades—Kissinger now reveals his analysis of the ultimate challenge for the twenty-first century: how to build a shared international order in a world of divergent historical perspectives ...
